

OpenAIR

How OpenAIR can help you

*Whoever you
are, OpenAIR
offers you
security,
control and
visibility.*

Pensions Manager

- Q. Do you have all your pensions management costs at your fingertips?
- A. With OpenAIR you can be confident that all your financial processes are properly recorded and controlled. It allows you to monitor your management costs and check your scheme's financial position at any time.

Scheme Administrator

- Q. Can you track payments from start to finish or do cheques go astray?
- A. With OpenAIR you are in control. It lets you keep track of payments and make sure that procedures are followed correctly.

Auditor

- Q. Do you want a system designed specifically with the pension fund in mind?
- A. With OpenAIR your clients' financial information is presented to you complete. It is fully compliant with the Pension Schemes SORP and includes detailed audit trails.

Finance Director

- Q. Do you expect tight controls? If so you need OpenAIR.
- A. With OpenAIR you know the finances of your company's scheme are being managed as professionally as any multi-million pound business should be.

Pension Consultant

- Q. Do you want a simple way to give best advice on accounting matters.
- A. With OpenAIR you know your clients have the best that is available. It is the only financial reporting system designed specifically to meet the needs of pension schemes.

Pension Scheme Trustee

- Q. Are you confident that all your accounting processes are accurate?
- A. With OpenAIR your scheme's accounts can be completed quickly and easily. It gives you the information you want when you want it.

Pensions Accountant

- Q. Do you want to be the best?
- A. With OpenAIR you have a system designed for you. It is both secure and easy to use.
